

ECHO FOR SOCIAL EMOTIONAL LEARNING

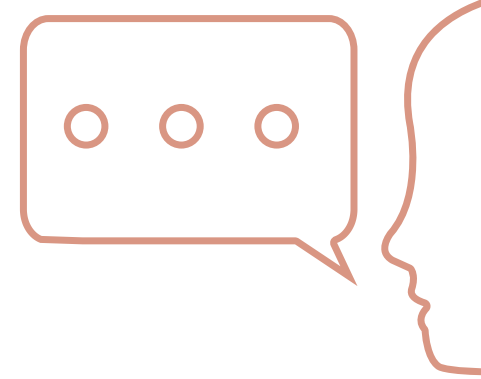

A virtual community of practice for K-12 teachers, schools, and districts seeking to incorporate social-emotional learning in the classroom

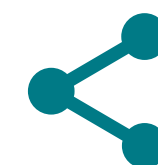

- ✓ *Learn frameworks and strategies for effective SEL*
- ✓ *Expert presentations and collaborative learning*
- ✓ *There is **no cost to participate** in the program*

“I have changed as I became more aware of the strategies for effectively implementing social-emotional learning. The skills that I have gained helped me to support the students in this challenging year.”

“We used several of the SEL tools and resources to revamp our student advisory and our communication efforts with families”

**1st and 3rd Tuesday
3:30 - 4:30 MT**
